

# Partner Support

Team Relocations can offer support to employees' partners in a variety of ways and in different areas. This support will be tailored to the individual needs and circumstances of each case.

Career specialists can advise on the options available to assist additional study or support in finding a career in the host location for the accompanying partner, where legally possible.

Additionally, we can provide information and advice regarding volunteer work and local community activities.

## Professional

- Job search
- CV writing
- Advice on reputable agencies and media sources

## Volunteer

- Charities
- Expatriate support programmes

## Education

- Academic and lifestyle alternatives
- Colleges and courses

## Homemaker

- Orientation
- Networking
- Recreational
- Community activities

This service can be offered globally, either pre-departure or on arrival and, where possible, Team may be able to assist in securing appropriate visas and work permits for the employee's partner.
